MEMORANDUM FOR: Deputy Director of Intelligence

1. Attached is a letter from Ambassador Resor of the MBFR Delegation. Congratulations on the fine support which he indicates you are providing to him.

2. Please give me a very succinct memo indicating what that support is, how often it is sent and what the Ambassador's primary interests appear to be. I'd like to be sure we continue your fine record with him. Thanks.

Dear Stan:

Heartiest congratulations on your nomination.  
You are certainly an ideal man for the job.

I have a strong professional interest because the Agency has given me absolutely first-rate and indispensable support in my work in Vienna. I know with you at the helm it will be if anything still better. The men I have worked with at the Agency have been excellent -- I know they will appreciate the kind of leadership you will give them.

I look forward to the chance of talking to you personally about MBFR when I come back during the next recess.

Warmest regards.

Sincerely,
